## **REAL TALK, Y'ALL.**

How long have we been saying  
we need to catch up?

This is it.

One unforgettable night.  
Music, memories, and that old-school energy.

# LET'S CELEBRATE MILESTONES (AND WRINKLES) TOGETHER

Let's face it—most of us are turning 50, and if that's not a reason to party, what is?

Come laugh about the perms, the pagers, and the questionable fashion choices we somehow survived.

# RECONNECT AND REMINISCE

1995

After three decades, it's the perfect time to catch up with old friends, share life stories, and relive those unforgettable moments—from **ARTS FOUNDATION** to prom night.

It's not just about looking back; it's about celebrating how far you've come.

A US one hundred dollar bill is shown, partially obscured by a large, irregular red shape. The red shape is centered and contains the text "HOW MUCH?" in bold, black, sans-serif capital letters. The bill is yellowed with age and shows signs of wear. The number "100" is visible in the corners and along the bottom edge. The text "ONE HUNDRED DOLLARS" is printed at the bottom. The serial number "20 B" is visible on the right side. The word "FEDERAL" is partially visible at the top left, and "THE UNITED STATES OF AMERICA" is partially visible at the top right.

**HOW MUCH?**
